WALL STREET NEWS

Sharp Advance in Stocks Followed by Reaction, but Close Is at Firm Prices.

By THOMAS C. SHOTWELL,

nings that seem to threaten the divi-de Insiders say the condition can be temporary. Grain weakened, general crop news was magirine-tiness and political affairs showed terial improvement overnight. The urbances in organized labor are de-red, but no considered important ugh to offset the good conditions else-tre.

ugh to offset the good conductors easere.

he important thing about the market,
t now seems to be the integrity of the
re in Erie. There can no longer be
doubt as to the betterment of Ette's
size. It is emerging from its long periof unofficial receivership in fine shareter may be dealt under way, but the
foundation of the remarkable
math of the stock probably is the inved physical cindition of the properRankers do not deny that there is
old in the common shares, but they
fin specific rearon for the piel is the
octain thing, and they refuse to give
the

American properties who have been making preliminary between the present and t

y doubt is as to whether they will be user cross. The property of the property

WEEKLY REVIEW OF TRADE

There was but a small amount of trading done on the Washington Stock Exchange yesterday.

Railway common, which was the most active, sold at the uniform price of Ison with the stock was still to be had at the setting pice.

Odd lots of Railway preferred sold at 18%.

solidating nearly a hundred small life in-nurances new operating in the South into a company to be known as the Southern Consolidated Life Insurance Company has been abandoned. The proposed company was to have had offices in this city. Reports in the Insurance Field indi-cate that eighty-seven out of ninety-one companies that would be affected did not view the amalgamation with

Summit Apartment Sold. The sale of the Summit apartment house, on the south side of Euclid street between Thirteenth and Fourteenth streets northwest, for Lewis E. Brauninger to Philip T. Hall for E0,000 was reported yesterday by the N. L. Sansbury

ported yesterday by the N. L. Bansoury Company.

The building contains twelve apart-ments of five and six rooms each, with total rentals of \$8.70 a year. It occupies a but 60 by 20 feet in dimensions, and was built about a year ago by Mr. Breuninger. As part payment Mr. Breuninger took a tract of about 60,000 square feet on Hall place. W and Thirty-seventh streets northwest, a frontage of about 500 feet.

Scamship Line Proposed.

A meeting of the committee on transportation and treight rates of the Chember of Commerce has been called for Friday, March 22, to consider the establishment of a through freight and perhaps passenger steamship line between Georgetown, Washington, and New York, An agent of the Benner Steamship Company, of New York, operating lines of ships between that port and Cuba, Porto as between that port and Cuna, Portion, and South America, has been in city for the last few days interview-pobers and other large shippers of ght from New York with a view to returning how much business the poduline can expect at the start, he plan is to begin immediately at the service between the two cities,

perty Sold for \$50,000

The huniners property IIB G street northwest has been bought for E6,00 by James E. Eckenrode, of Baltimore prother of Rev. J. F. Eckenrode, Ph. D. of Sacred Heart Church, this city.

COTTON MARKET.

WEEKLY REVIEW OF TRADE

Business Activity of Notable Proportions According to Reports Issued by Dun and Bradstreet.

New York, March 15.—12. G. Dun's weekly review of trade will comprove any lo part:

"Business activity is undeablestly widening, which business sentiment, alife in industrial, mercantile, and financials as circles is becoming distinctly not optimized in industrial, mercantile, and financials of the property form all leading either. The street is the company of the street is an active demand by received and it grainform. Large porchases of pig iron, atlantiting to all branches of the industry and causing a strength in the company of the street is an active demand by received and all coverage of the company of the comp
